

7th International Conference on Frontiers in Computing and Systems

Organized By
Škoda Auto Vysoká škola, Prague, Czech Republic, and
COMSYS Educational Society, Kolkata

Call for papers for Special Session :

AI and Machine Learning for Sustainable Development, Social Impact, and Real-World Applications

Special session organizers:

Dr. Soma Chatterjee,
Assistant Professor, Dept. of CSE
Narula Institute of Technology,
somadey05@gmail.com

Dr. Sohini Paul,
Assistant Professor, Dept. of CSE
RCC Institute of Information
Technology
sohini.paul@rcciit.org.in

Dr. Nabanita Das,
Associate Professor & Head of
Dept. CSE (AI & ML),
Academy of Technology, India
naba.iem@gmail.com

Dr. Kamal Sarkar,
Professor, Jadavpur University,
jukamal2015@gmail.com

List of Topics (but not limited to):

- **AI/ML for Sustainable Development Goals (SDGs):** applications addressing poverty, health, education, climate action, equality, and social welfare
- **AI for Inclusive Economy and Society:** financial inclusion, skill development, workforce matching, economic analytics, gender equality, and social inclusion
- **AI for Sustainable Environment and Resources:** smart agriculture, water management, food security, environmental monitoring, climate modeling, renewable energy, and disaster response
- **AI for Smart Infrastructure and Public Services:** equitable healthcare systems, public health, mental well-being, smart and sustainable cities, inclusive education, and accessible technologies
- **AI Techniques for Social Good:** machine learning, deep learning, NLP, computer vision, multimodal AI, agentic AI, and predictive modelling
- **Trustworthy and Distributed AI:** ethical, explainable, and responsible AI, federated learning, edge AI, privacy-preserving techniques, and participatory AI design
- **Applied and Interdisciplinary AI Solutions:** community-driven AI, public policy applications, real-world case studies, and cross-domain societal impact research

Important Dates:

Submission Deadline:	April 01, 2026
Acceptance Notification:	May 10, 2026
Registration Due:	May 20, 2026
Camera-ready Submission:	June 01, 2026
Main Sessions:	June 24-26, 2026
